OVERVIEW

Purchase options range from stands to complete turnkey packages for prospective tenants and owners. Our professional development team ensures a speedy and hassle-free acquisition and construction process to enable you to be in your new purpose-built space within six months. We have serviced industrial land for sale with the ability to accommodate single users up to 50 000m² of warehouse space.

Lanseria Corporate Estate has sold 194 000m² of land with a further 50 000m² under negotiation. The estate has proclaimed two phases with erven from 3 800m². It can accommodate small and large users.

Approximately 35 000m² of warehousing, factory and office space has been completed or is in the planning and construction phase.

LOCATION

Lanseria Corporate Estate is ideally located in the fast growing north-west sector of greater Johannesburg. Situated on the R512 adjacent to Lanseria Airport, the estate lies 3,5 kilometres north of the on/off ramp to the N14 (Pretoria-Krugersdorp) highway.

Lanseria Corporate Estate is located in close proximity to popular up-market residential areas such as Dainfern (9 kms), Fourways (11,5 kms) and Blair Atholl (3,5 kms), whilst also being accessible by high density residential areas such as Cosmo City, Olievenhoutbos and Diepsloot.

The estate is equally well located in relation to Centurion, Midrand, the northern and western suburbs of Johannesburg, Krugersdorp and the suburbs of Hartebeesport Dam.
